

TIVEDEN NATIONAL PARK

Established: 1983, extended: 2017
 Area: 2,030 hectares, of which 1,800 is land.
 Land owner: The Swedish Environmental Protection Agency (Naturvårdsverket)
 Administrated by: Örebro County Administrative Board (Länsstyrelsen i Örebro län)
 Purpose: The preservation of an uninterrupted area consisting of forest, lakes and rift valleys that is virtually untouched and which will be left to return to its natural state.
